

## **BT300 Warranty**

The BT 300 drive assembly is warranted for a period of 18 months from date of manufacture. If certified factory start is also purchased and used, the warranty period is extended to 24 months from date of start-up, not to exceed 30 months from date of manufacture.

For additional warranty extensions or on-going service coverage, please contact CMI for a quotation.

Your company can also be factory trained and certified for start-up. Please contact CMI for more details.

## **Lead Times**

**CMI is a stocking warehouse for SIEMENS BT300 drives.**

For a current list of **stock drives**, please refer to the attached list on Page 2.

The normal lead time for standard drives and bypass units **ordered from the factory** is 2 weeks.

### **Expedited Delivery**

Additional drives not normally stocked in Columbia may be ordered on a **overnight or expedited** basis directly from the factory. For a list of those drives Please refer to page 3.

For expedited pricing and delivery, Please contact CMI for additional information
